

Dear Michael & the whole
Connolly Ranch Staff,

Phillips had a great 2 days
with you folks! A perfect mix
of education, new experiences,
and fun/exploration. For Room
8, it was the best year ever
with the extra time in the

morning & absolutely perfect
weather. The teachers who
came on the rainy day said
that, it too, was a great
field trip day because your
staff modified the activities
just right for the rain.

Thank you tons for the
help with the busses & the
2 days on the ranch! Paige
