CONNECTING KIDS AND FAMILIES WITH NATURE

## Farmer Thom Scholarship Application

Connolly Ranch offers everyone the opportunity to connect with nature through our farm-based education programs. Below is an application for a full or partial scholarship. Please fill out the information below and we will contact you shortly. In order to reach as many kids in need, a scholarship is offered once a year per child. If additional funding is available, you may be able to join an ongoing program on a sliding scale.
